MAKING ALLOTMENTS WILDLIFE FRIENDLY

Froglife is providing an interactive workshop for allotment holders, offering advice on making urban allotments more attractive to wildlife. We are offering in-depth discussions, tips and practical skills!

Learn through practical and educational activities that are suitable for all ages and abilities! (children must be supervised by adults)

LOCATION: CHANDOS RECREATION GROUND
CAMROSE AVENUE, EDGEWARE H&B 6BX

DATE: THURSDAY 25TH APRIL 2019

TIME: 10AM-12PM

www.froglife.org

Froglife is a charity working to save frogs, toads, newts, snakes & lizards – inspiring us all to take action & get involved.
